End of First Quarter: Good start! You have successfully completed the first quarter without an incident or accident. The Safety Department thanks you for your success. Keep up the good work.

End of Second Quarter: Well done! If you have made it this far you have equaled the industry average for accidents. You made it half way; will you cash in or go for more.

End of Third Quarter: Nice work! Making it this far is an accomplishment. You have exceeded Manafort Brothers, Inc. expectations. Only one more quarter left.

End of Fourth Quarter: Congratulations!!! You have successfully completed a whole year without an accident or incident. You deserve a hearty "THANK YOU" from the Safety Department and the Manafort Family.

5th Annual Employee's Safety Incentive Program

Manafort Brothers, Inc. remains committed to employee safety. We believe each employee is a key element in providing a safe work environment. In an effort to further increase awareness, MBI is releasing its 5th Annual Employee's Safety Incentive Program. This incentive program is designed to reduce worker injuries and minimize the cost associated with them, affirming Manafort Brothers Inc.'s commitment to safety. Each employee is encouraged to participate in the program and benefit from the products offered.

MBI employees will receive credit for every quarter in which they work safely.* The credits can be redeemed at the end of the quarter or accumulated to earn more valuable products at the end of the year.

A Safe Employee*

- No accidents that require professional medical care (i.e. going to the clinic).
- No incidents that cause damage in excess of \$500.
- No motor vehicle citations while driving an MBI vehicle.
- No serious OSHA violations.
- No disciplinary action resulting from inappropriate behavior.

Purchase Options

All employees are able to purchase items from the 2007 Employee's Safety Incentive Program upon its release.
